

Golden Crown

This is the perfect craft for a princess themed birthday party or a craft at events such as Girl Scout meetings. I had my Daisy troop makes these to wear at our end of year ceremony as “graduation” hats.

MATERIALS NEEDED

All materials shown are from Stampin' Up and page numbers are from the 2011-2012 Idea Book & Catalog unless otherwise indicated. Items can be purchased on my Stampin' Up website:

- 8-1/2 x 11 Cardstock: Brushed Gold (page 181), Daffodil Delight (page 177), Concord Crush (page 176), Melon Mambo (page 177), and Tempting Turquoise (page 177)
- SNAIL Adhesive (page 206) and Multipurpose Liquid Glue (page 206) or Sticky Strip (page 206)
- Punches: Fancy Flower (page 210), Butterfly (page 210), 1" Circle (page 212), and Eyelet Border (page 211)

INSTRUCTIONS

1. Cut a piece of Brushed Gold cardstock into 3-1/2 inch x 11 inch pieces. This will create two strips of paper.
2. Attach the two strips with the SNAIL Adhesive to create one long piece of 3-1/2 inch x 21 inch cardstock.
3. Use your favorite border punch to create a decorative edge on one side. I used the Eyelet Border punch on this project.
4. Use your punches on your cardstock to create the embellishments: 1" circle on the Daffodil Delight, Butterfly and Fancy Flower on the other colors.

5. Take the crown and wrap it around the head of each child. Some may require an extender to be added. You can use the excess gold cardstock to cut a 3-1/2 inch x 2 to 3 inch extender. Attach to one end of the crown but do not attach the crown into a circle yet. It is a good idea to have each child write their name on the inside before they begin to decorate them.
6. Give each child a glue stick or use the Sticky Strip. Depending on the age of the children, it is best to show them a crown that you have already made so that they know where to attach their various embellishments.
7. Once completed, you can use the SNAIL Adhesive to complete the circle of the crown.
