

Lollipop Card

INSTRUCTIONS

1. Cut paper into the following sizes: Whisper White - 5.5 inches x 8.5 inches, Poppy Parade – ½ inch x 2.5 inches, Peach Parfait – 5.5 inches x 4.25 inches, Basic Black – ¼ inch x 4.25 inches, and 3 pieces of 1/8 inch x 2 inches, 5.5 inches x 4.25 inches - Designer Series Paper Pattern #1, and 1.5 inch x 4.25 inches – Designer Series Paper Pattern #2
2. Fold Whisper White in half to create a 4.25 inch wide x 5.5 inch tall card. Any easy way to get an even and straight fold is by using the Simply Scored Scoring Tool from Stampin' Up.
3. Cut out a piece of the Peach Parfait cardstock with the Top Note Die using the Big Shot machine.
4. Use SNAIL Adhesive to attach the Top Note piece on top of the 5/5 inch x 4.25 inch piece of Designer Series Paper Pattern #1, and then attach the 1.5 inch x 4.25 inch piece of Designer Series Paper Pattern #2 cardstock along the bottom.
5. Punch three circles on the Whisper White using the circle punch.
6. Cover the circles with SNAIL Adhesive and attach the Calypso Coral, Lucky Limeade, and Pool Party Baker's Twine in a circular pattern. It helps to start in the middle. This will take awhile, but it creates an amazing effect to the lollipops. Use the 2-Way Glue Pen to attach the end of the twine to the circle to avoid it detaching.
7. Attach the three 1/8 inch x 2 inches piece of Basic Black cardstock the lollipops using SNAIL Adhesive.
8. Attach the three lollipops to the front of the card towards the top of the Top Note piece of cardstock. Cut a piece of Wisteria Wonder Baker's Twine and tie into a bow. Attach to the lollipop sticks with the 2-Way Glue Pen.
9. Using SNAIL Adhesive, attach the ¼ inch x 4.25 inch piece of Basic Black cardstock to the card at the seam between the two patterns of Designer Series Paper.
10. Stamp the Wish Big sentiment from the "Short and Sweet" stamp set to the ½ inch x 2.5 inches Poppy Parade cardstock. Attach the cardstock with SNAIL Adhesive to the Basic Black stripe.
11. Punch the ends of the Poppy Parade cardstock with the 1/16" Circle Handheld Punch and add two 3/16" silver brads.
12. Attach the entire design to the front of the 4.25 inch x 5.5 inch folded card.
